

DELUXE SERIES

DUCTLESS HEAT PUMPS

THE FUTURE OF
HOME COMFORT
IS HERE

Featuring

Models: D5CPRAH, D5CSAH,
D5CLHAH, D5CMHAH

WHY ARE SO MANY HOMEOWNERS GOING DUCTLESS?

Whether you're adding an extra room or converting an attic into a living space, you want your home renovation to be as comfortable as possible. Ductless systems deliver ultra-quiet and efficient comfort for practically any space and style. They also help eliminate hot and cold spots, making them ideal for garages, sunrooms, attics, additions and more.

Environment

Arcoaire® is committed to providing our planet and people with a better future by offering the best refrigerant for each application. After years of research, development and field trials, we will be transitioning to the use of R-454B, with a 75% reduction in global warming potential.

Comfort Technology

Arcoaire ductless systems continually adjust the compressor speed as conditions change—for consistent comfort with lower energy usage. Plus, enjoy year-round comfort with a system that offers dependable performance in temperatures from -22° F to 122° F.

Efficiency

With SEER2 ratings up to 33.1 and HSPF2 ratings up to 29.0, all our Deluxe Series are ENERGY STAR® certified. Take advantage of added energy-saving features like eco mode to cut energy costs up to 60%—without compromising on comfort.

Whisper Quiet Operation

Ultra-quiet operation reduces noise pollution both indoors and out for more peaceful, comfortable spaces.

Personalized Comfort

Connect up to six indoor units to a single outdoor unit—to deliver individualized temperature control in every room of your home. Once you decide what temperature you'd like a specific zone (or room) to be, the system will quietly maintain that temperature.

Convenient Controls and Features

Arcoaire Deluxe Series systems are the gold standard in home comfort, offering features like I-clean, active cleaning and Intelligent Eye, an occupancy sensor that can tell when you're in the room and direct fresh air your way.

No Hassle Warranty

To the original owner, the Arcoaire Deluxe Series equipment qualifies for a 10-year No Hassle Replacement™. It means comfort with no questions. We'll replace your unit if the compressor or coil fails within the covered period.* This provides extra coverage in addition to a 10-year parts limited warranty.**

BRING A BOOST OF COMFORT TO ANY ROOM

THE DELUXE ADVANTAGE
